OFFICIAL INVITATION TO THE HTR2018 CONFERENCE

Warsaw, Poland, 24 July 2018

Dear **Prof. Yujie Dong**

We are pleased to invite you to the 9th International Conference on High Temperature Reactor Technology HTR 2018 (www.htrconf.org), which will be held in Warsaw, Poland from October 8 to 10, 2018.

This conference is the internationally recognized bi-annual forum for nuclear industry, utilities, end users and researchers working in the field of High Temperature Reactors and industrial process heat applications. Launched in 2002 in Petten, The Netherlands it was followed by Beijing (2004), Johannesburg (2006), Washington D.C. (2008), Prague (2010), Tokyo (2012), Weihai (2014) and Las Vegas (2016). The conference typically attracts some 300 participants with high level key note speakers from industry and politics as well as it attracts wide media attention.

We are looking forward to seeing you in Warsaw.

Yours sincerely,

Prof. Grzegorz Wrochna
National Centre for Nuclear Research
Chair of the HTR 2018 International Organizing Committee
